

Anu: S-A-N-C-T-U-A-R-Y. **Sanctuary**. What does this word mean?

Grandfather: **Sanctuary** is a place where animals and birds are protected from hunting and other human activities.

Anu: Are there any other places like sanctuaries that protects animals and birds?

Grandfather: Yes, Anu. **National Parks** are places where wild animals are protected. In **Biosphere Reserves** animals, birds and plants are protected.

Anu: Interesting.
