Anu: Is there any other sanctuary that protects Bengal Tigers?

Grandfather: Yes, there is. **Sunderbans National Park** in **West Bengal.**

BENGAL TIGERS

- Due to the successful conservation efforts of **Project Tiger,** the number of tigers have been increased in India.

ACTIVITY
Let us write

1. Write the differences between the following.

Sanctuary	National park	Biosphere reserve

2. If you want to see the Bengal tigers, which National Park will you visit? Write the name of the park and its location.
