UNIT 4

Day and Night

Learning Objectives

The Learners

- Know the differences between day and night
- Describe the Sun, moon, stars, lightning and thunder

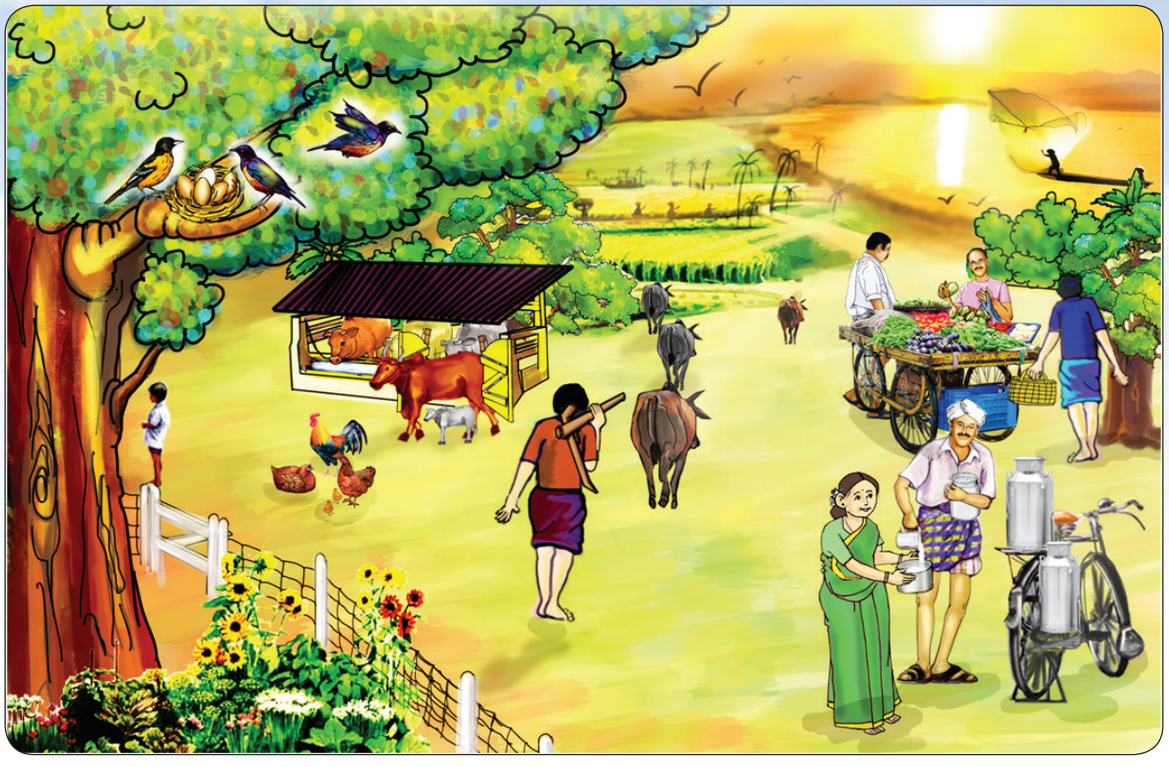

Day

Mother: "Kanmani, Kannan wake up. Come and see the **sunrise.** The sky looks beautiful".

Kannan and Kanmani : "Yes, Mother".

CYZMP9

What do they see? Can you look at the picture and describe it?

The Sun is a star. We get light and heat from the Sun. There can be no life on earth without the sun.

DO YOU KNOW?

The sunflower buds turn and face the Sun.
