3. Frame the numbers 1 to 9 by using match sticks.

The number 2 can be framed as  . Try other numbers.

4. Colour the boxes with nine different colours.

Position	1st	2nd	3rd	4th	5th	6th	7th	8th	9th
Colours									

Colour the boxes with the specified position.

9th ☐ 2nd ☐ 8th ☐ 1st ☐ 4th ☐

Slide and Ladder

Game

Objective: 1. To be familiar with numbers from 1 to 6.

2. To inculcate moral values.

Materials required: A dice, different coloured buttons.

Method:

1. Students can play alone or in a group of two or more.
2. Each player should throw the dice and move their button in the game chart from their starting point.
3. Throwing the dice should be done in rotation.
4. Whenever they reach the bottom of the ladder, they should climb up and when they reach the head of the slide, they should come down to the bottom of the slide.
5. The player who reaches the end will be the winner.
