Addition with zero

0 toy + 3 toys = 3 toys

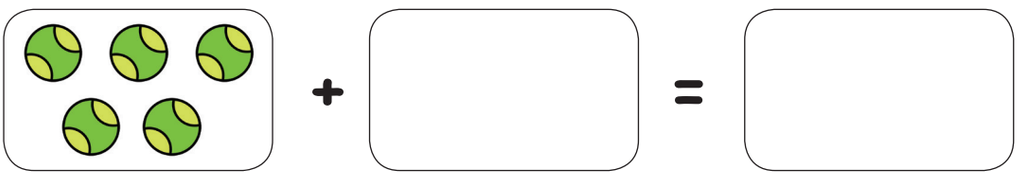

0 + 3 = 3

Know more

Zero added with any number gives the same number.

Practice

Draw and add

	0	

1 + 0 =		4 + 0 =	4		
0 + 2 =	2	5 + 0 =			
0 + 3 =		0 + 6 =			

7	0	9
+ 0	+ 8	+ 0

Game

Teacher may arrange the paper cups on the table as shown in the picture. Give two chances for each student to hit the arranged cups from a particular distance using a ball. Note the number of cups hit by him/her in each chance . Finally ask them to count the total cups hit by them.

Number of cups hit on the first chance =

Number of cups hit on the Second chance =

Number of cups hit in both the chances together =
