Think like a Mathematician

Match the pairs which make the sum 12?

6	5	11	3	10	4	12
1	6	2	0	8	9	7

Match the pairs which make the sum 20?

4	2	17	5	19	7	14
16	1	18	3	6	15	13

Mental math

Addition

- Arasi has 9 pencils, Kamala has 8 pencils. How many pencils do they have altogether?
- Mary plucked 7 mangoes, Agalya plucked 6 mangoes. They put the mangoes together in a basket. How many mangoes are there in the basket now?
- Chezhiyan is 12 years old. His sister age is 3 years more than him. How old is Chezhiyan's sister?
- Samirah has 8 crayons. She buys 4 more crayons. How many crayons does Samirah have totally?
