Touch Me Not Plant

Have you seen this plant? It is found in many places.

It is a small herb. When you touch the leaves of this plant, they close. So it is called the 'Touch Me Not' plant. The leaves open a few minutes later.

Calotropis - Erukku

Calotropis is a shrub. It has a group of waxy flowers. Its flowers are either white or lavender in colour. It is also known as the 'Crown Flower' since it looks like a crown.

Draw and colour the Erukku leaf.
