Try This

Strike the odd one in the given pattern. Draw the correct image to replace it in the given space.

i) 

ii) 

iii) 

iv) 

Pleasure Time

Sugar & Chilli

i) What is the first one?

ii) What is the nature of it?

iii) What is the second one?

iv) What is the nature of it?

v) What is the third one?

vi) What is it's nature?

vii) Can you tell how are the items ordered/arranged ?

viii) Can you tell what could be the next one in the series?

N2F3J2

Think Like A Mathematician

How are the tables and chairs arranged in your classrooms? Do you find any pattern in them? Discuss with your friends.
