Count and colour the objects.

4.2 Medicine in the kitchen

In the past times, kitchen medicine was practiced in every house. People knew how to treat some of the ailments of the family members and manage emergencies with what was available in the kitchen.

Is it not amazing to know that we have a pharmacy in our kitchen? Let us learn a few useful things we can use from the kitchen as medicines.

Importance of some kitchen medicines

Garlic

Garlic is called the poor man's antibiotic. It helps to balance blood pressure and reduces symptoms of common cold.

Asafoetida

It improves digestion. It is used as a remedy for diarrhoea and dysentery.
