Road safety

We must be very careful while travelling on any road. The number of vehicles going on the road is increasing. Most of the accidents are caused by carelessness.

Traffic signals for vehicles

Red	Stop
Yellow	Get ready
Green	Go

To avoid accidents,

- Follow traffic rules.
- We must obey the traffic signals.
- Do not rush on the road.
- We should wear seat belt when we travel in a car.
- We should wear helmet while riding a two wheeler.
