**Mother:** Bad touches might make you feel sad, angry, scared, or confused. If you do not like any touch or if it makes you sad, angry or scared, tell them to STOP! Scream "STOP!" and run away. This is rule number 2.

**Janani:** Okay mom. If I do not like any touch, I scream _____ and _____.

**Mother:** Very good! Now let me tell you the rule number 3. Tell an adult you trust, about the bad touch. Keep telling until you get the help you need.

**Janani:** I should _____ adults I trust till I get _____.

**Mother:** Janani, remember, no matter who tells you. It is never your fault.

**Janani:** But mom, would people I know also do 'bad touch'?

**Mother:** Anyone would do. So it is important that you keep all the three rules in mind even if you know the person. Can you say the rules?
