Let us talk

- Make flashcards with pictures of insects.
- Divide the class into two groups.
- Call a child from one group and ask him/her to pick a card.
- The child with the card will enact the action of the insect. (e.g. Flying for butterfly.)
- The group should be able to name the insect and the action. (e.g. Butterfly flies.)
- Repeat the activity with the other group.
- The group with the most correct answers wins.

Let us practise

Fill in the blanks with the actions of the insects.

Let us do

- Display the words on the word wall.
- Make 4 sets of word chits and put them in a box.
- Each child gets a turn to pick a chit and read the word.
- If they read correctly, they get to keep the chit.
- If they are not able to read, they give the chit back.
- When there are no more chits with the teacher, the student with the most chits wins.
- Practise till all the students are able to read the words.
