Let us know

H2BSZG

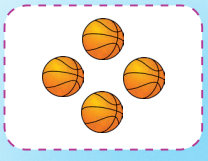

Let us see how the clown counts the things.

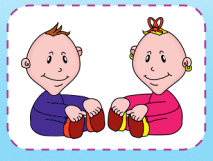

He is confused. He cannot count the last one.

Do you think you can count 'salt'? 

There are some things that we can count like,

balls

pencils

babies

chairs

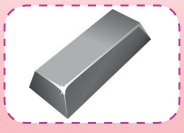

houses

When we ask about things that we can count we ask - How many _____?

There are some things we cannot count like,

sugar

metal

water

rice

oil

When we ask about things that we cannot count we ask - How much _____?

Note to the teacher: Explain children that there are some things we can count and some things we cannot count. Encourage children to use many for things they can count and much for things they cannot count.
