The Two Pots

There are two pots, Mud and Brass.

Mud and Brass go to the river to play.

Brass said, "I will swim in the river but you cannot."

Mud said, "Why?"

Brass said, "If you hit on a rock you will break."

Mud said, "Let me try."

Mud and Brass start to swim in the river.

Brass said, "Let us swim deeper."

Mud said, "No, let us go back to the river bank."
