2. Match the picture with the season.

summer **rainy** **winter**

3. Listen and circle the words that your teacher says twice.

Malar and her friends sing songs everynight. Usually Malar goes there at six. Today it is very cold. So Malar doesn't join even after seven. She runs fast and atlast joins with them.

Note to the teacher: Read the words sing, goes, cold, after, seven and fast one more time to the children.

4. Listen to the teacher and answer.

What would you say when you meet someone?
