

Let us know

Let's see what Arif and Shobana are talking.

W3B1UB

I met the new teacher today.

You met him? Really?

Don't you believe me? I saw him talking with Jaya ma'am.

He asked her the way to our class.

I hope we will like him.

Ha ha! I hope he will like us.

When a person/place/thing receives an action we use me, him, her and us.

We saw above that:

Teacher (he) becomes him.

Arif (I) becomes me.

Jayanthi (she) becomes her.

Class (we) becomes us.
