

LET US BUILD

PUNCTUATION

Let us look at the picture below.

Can we eat grandpa?

Ramu: "Hey! are you going to eat grandpa?"

Somu: "Ha ha. No, I am asking if we can eat."

Ramu: "Then, you should add the correct punctuation. It should be "Can we eat, grandpa?

Somu: "Thank you."

Ramu: "Punctuation plays an important role to help us understand the sentences."
