

LET US KNOW

UDQDSB

The rabbit has long ears.

The word long tells what kind of ears the rabbit has.
Long describes the rabbit's ears.

This is a green house.

The word green tells us the colour of the house.
Green describes the house's colour.

Kasthuri has three colourful balloons.

Three and colourful tells us more about noun balloon.
Three describes number and colourful describes quality.

Words that describe noun are called adjectives.
The adjectives give more detail about the noun's size, shape, colour and count.
