- know about gadgets used in daily life

NN9GVS

Let us Recall

Teacher : What do you have as soon as you get up?

Students : Tea, coffee and milk .

Teacher : Good. What do they contain?

Ram : Milk, tea dust, coffee powder, sugar and water.

Teacher : Very good. Do you know why we drink milk?

Ram : Yes. It is good for our health.

Teacher : Correct, let us learn more about milk in this lesson.

I. Milk

Milk is produced by Mammals for nourishing their young ones. Milk from many animals is used by humans. Cow's milk is used commonly.
