Kavitha accompanied her friends to the festival. All of them bought a lot of stuff in the shops. They came back home and discussed about their purchase.

Kavitha : I bought a ribbon. Mala what did you buy?

Mala : I bought a cricket bat. Mary, please show your toy.

Mary : I bought a toy train.

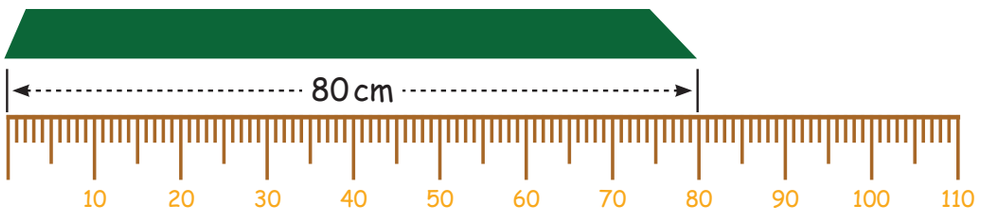

Sharmila : See friends. I have a beautiful toy car

Banu : My favouite toy lorry is very attractive

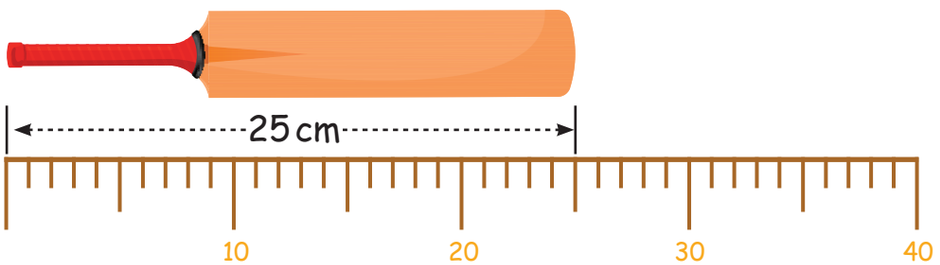

Kavitha : All the toys are very nice. Let us measure our toys. Which is the longest among them?

The length of toys and ribbon are given below.

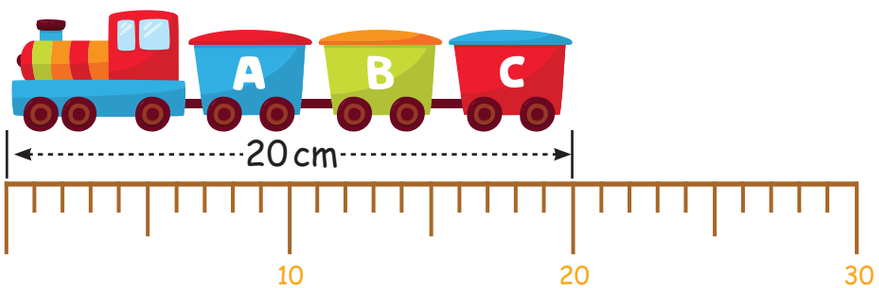

Kavitha measures her Ribbon.

Mala measures her Toy bat.

Mary measures her Toy train.

Teacher can help the children to use the ruler.
