Let us do

Tick (✓) the appropriate one.

Food	Hygienic food	Junk Food
Fresh fruits		
Samosa		
Nuts		
Panipoori		
Vegetable salad		

Try to Answer

Write Yes or No.

1. Junk food is good for health. _____
2. You should wash your hands before and after eating. _____

Let us discuss

Here is Nandini's lunch box.

a. Are all the items healthy?

b. Suggest her to remove one food which is not healthy and add one food which is healthy. Give reasons for change.

V. Food During Illness

Think and answer

When you are sick, what kind of food your mother serves you?

When we are sick, we should avoid food items that are fried in oil. We should take energy-giving, easily digestible food. Some of them are given below:

- Porridge of rice or cereals.
- Fruit juice, tender coconut.
- Steamed foods like idly.
